New movies to stream this week: 'Judy & Punch,' 'Tommaso' and more

An African American college student (Keith Stone) is erroneously arrested, only to have the charges dismissed in "**1 Angry Black Man.**" Later, during an African American literature class, his emotions threaten to boil over. The website [Black Girl Nerds](#) calls the film "impactful," singling out its "cerebral discussions around race, class, and society through the lens of liberal arts students." *R.* Available June 5 on various streaming platforms. Contains coarse language, including some sexual references. 92 minutes.
